

For Women's Health

# AIM Renewed Balance®

Contains Natural Progesterone

AIM strongly emphasizes that the daily amount of natural progesterone usage be

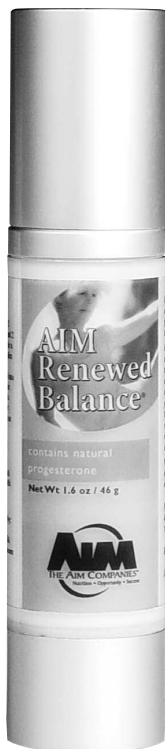

between 20 and 24 mg.

We suggest users apply 2 pumps in the morning and 2 pumps in the evening

(for a total of 1 g) which supplies 24 mg of natural progesterone daily. It is

always best to work with a health practitioner to

determine your optimum serving.

## SUGGESTED USAGE

### Premenopausal women

We suggest users apply 2 pumps in the morning and 2 pumps in the evening (for a total of 1 g) per day for two weeks (from ovulation to menstruation).

Ovulation generally begins 12 to 14 days after the first day of menstruation. Apply to areas of thin skin.

### Postmenopausal women

Apply 2 pumps in the morning and 2 pumps in the evening (for a total of 1 g) per day for two to three weeks. You may begin your usage at any time. Apply to areas of thin skin.
